

Description

Brake Kleen is a high-performance, solvent-based cleaner specifically engineered to remove brake dust, contaminants and stubborn build-up from vehicle braking systems, helping to maintain optimal performance and safety. Its fast-evaporating formula penetrates and dissolves dirt, grease, oil and grime with ease, leaving no residue for a clean, dry finish that helps prevent further contamination. Versatile enough to be used as an effective parts cleaner and degreaser, Brake Kleen is a reliable solution for workshop environments, tackling tough residues on tools, machinery and surfaces. Its powerful solvent action delivers professional-grade results, helping to extend the service life of braking components while maintaining peak performance during automotive maintenance. Ideal for mechanics, automotive workshops and DIY enthusiasts, Brake Kleen combines rapid evaporation with superior degreasing power, making it an essential product for efficient, thorough cleaning that supports industry standards for precision and reliability.

BRAKE KLEEN

Solvent Cleaner

Features & Benefits

- Solvent based
- Removes dirt, grease & residue
- Rapid evaporation
- Leaves no residue
- Low odour

For Use On

- All vehicle braking systems
- As a parts cleaner
- As a degreaser.

Directions for Use

Apply Brake Kleen using specialised spray pump pack or by dipping or brushing on.
Apply directly to contaminated surface and allow to air dry.
Product will evaporate quickly leaving no residue.

Technical Information

Appearance: Colourless Liquid
Odour: Paraffinic Sweet
Solubility in Water: Not Miscible

Available Sizes: 20L
pH: N/A
Specific Gravity: 0.72

Safety

Keep out of reach of children. Highly flammable liquid. Avoid contact with skin & eyes. Minimise inhalation. For further Safety and First Aid Information, please refer to the applicable SDS available on our website. All information pertains to the **correct use** case.
