

Description

Kleen Shot is a one-part, highly alkaline beer line cleaner formulated for the effective cleaning and sanitising of commercial and domestic beer dispensing systems. Its ready-to-use formulation eliminates the need for mixing, simplifying routine beer line maintenance. Suitable for use in automated beer line cleaning systems, Kleen Shot effectively removes beer residues and build-up from beer lines, taps and associated equipment. A red dye tracer provides a visual indication during rinsing, helping ensure the cleaning solution has been thoroughly flushed from the system. Ideal for breweries, bars, hotels, restaurants and home brewing applications, Kleen Shot provides reliable cleaning and sanitising for the routine maintenance of beer dispensing equipment.
