

POWDER BOOM

Agricultural Boom & Spray Cleaner

Description

POWDER BOOM is a biodegradable powder formulated with water softeners and alkaline buffers to thoroughly clean agricultural boom sprays and equipment. This specialised cleaner effectively removes pesticide and herbicide residues, including tough sulphonylurea and phenoxy based herbicides, while decontaminating surfaces and protecting machinery from corrosion. Easy to use, it dissolves quickly in water for fast acting penetration that lifts stubborn chemical buildup without damaging components. Ideal for end of season maintenance or routine cleanouts. POWDER BOOM ensures complete residue elimination, preventing cross contamination and extending equipment life. Trusted by farmers and operators, it delivers reliable, high performance results that maintain spray accuracy and operational efficiency. Keep your booms and tanks pristine with this powerful, machinery safe solution designed for demanding agricultural applications.
