

POWER WASH

Auto Dishwashing Detergent

Description

POWER WASH is a highly concentrated, automatic feed dishwashing detergent engineered for seamless performance in all commercial dishwashers, including glass and dish wash machines, it ensures optimal efficiency when used with KWD Dispensing units. Formulated to be suitable for most water types, this advanced cleaner contains built in water softeners to mitigate hardness issues. The specialized agents assist in reducing calcium scale buildup and maintaining equipment longevity. Power Wash effectively tackles grease, food residues and stains on all kitchen utensils, cutlery and crockery, delivering squeaky clean, sparkling results without residue or spotting. Ideal for high volume commercial kitchens, restaurants and hospitality operations. This versatile detergent supports consistent hygiene standards and operational reliability, minimizing downtime and enhancing dish quality. With the concentrated composition, Power Wash offers economical dosing, making it a practical high performance choice for professionals seeking superior cleaning that upholds food safety and presentation excellence.
