

Description

STABLE & KENNEL is a powerful, super strength disinfectant formulated with water softeners and surfactants to effectively break down body fats, dirt and grime in demanding animal care environments. This versatile cleaner and sanitiser delivers robust germicidal action, killing bacteria on contact while leaving a pleasant, residual fragrance that helps combat persistent odours. Ideal for horse floats, kennel areas, animal housing, chicken coops and bird houses, Stable & Kennel ensures thorough sanitation and hygiene without compromising on safety for pets and livestock.

This concentrated solution is the trusted choice for stables, farms and veterinary facilities seeking reliable, odour neutralizing protection that maintains clean, fresh spaces and supports animal health standards.
