

Description

Titan Low Foam is a concentrated, water-based alkaline multipurpose cleaner formulated for the removal of grease, fat, carbon, dirt and grime from a wide range of washable surfaces. Its low foaming formulation makes it suitable for use in pressure washers, floor scrubbers and other cleaning equipment where foam control is required. Suitable for use on kitchen floors, benchtops, ovens, hotplates, workshop floors, machinery and other hard surfaces, Titan Low Foam provides effective cleaning performance in commercial, industrial and automotive environments. Its non-fragranced formula is ideal for use in pressure washers, scrubbers and other equipment where low foaming performance is preferred.

Titan Low Foam provides a reliable solution for heavy-duty cleaning and degreasing where a low foaming cleaner is required.

TITAN (LF)

Low-Foam General Purpose Degreaser

Features & Benefits

Low-Foam water based degreaser
Spray & wipe
Removal of grease, fat & carbon
